Season's Greetings & Thank You

I would like to thank all those who allowed me to work on their behalf this past year.

It has been a pleasure to work in Oak Bay. This photograph is a part ArtsAlive Oak Bay 2018, I am pleased to sponsor art installations in Oak Bay. Photographed below is Oak Happiness a work by artists Graham Thompson and Sherry Tompalski, who also reside and contribute to the fabric of Oak Bay and moved here from Eastern Canada.

If you are considering your real estate options in 2019 and would like a complimentary market evaluation, Please call me at 250-920-8006.

Best wishes for the Season and for change to 2019.
